

HEAVY DUTY CLEANING

CITROCLEAN

SOLVENT BASED DETERGENT AND DEGREASER

FEATURES AND USE

CITROCLEAN is a de-greasing detergent-solvent based on the natural removal strength of specific solvents without VOC. It is suitable for thorough cleaning of floors and for the removal of grease and organic fats.

CITROCLEAN dissolves and removes oils, lubricants, cutting oils, tar and vegetable/animal fats.

The product can be used also in the food industry for the cleaning of suction hoods, filters and very greasy surfaces followed by a thorough rinsing.

CITROCLEAN diluted in water forms a white/milk FOAM-LESS emulsion which makes it particularly suitable for use in washer-dryer machines.

METHOD OF USE :

Prepare the CITROCLEAN solution by following operating concentrations. Use with washer-dryer/single-brush floor cleaner or by hand. Leave for a few minutes and then vacuum.
