

ELKASAN 5-C

CONCENTRATES

CONCENTRATED DETERGENT WITH CITRIC ACID FOR SANITARY FITTINGS

FEATURES AND USE

ELKASAN 5-C is a concentrated detergent with citric acid, ideal for routine cleaning of: washbasins, taps, sanitary fittings, showers and ceramic wall tiles. It removes calcareous residue mixed with soap and contains self-drying polishing substances which allow to clean and polish without rinsing. Its special composite fragrance leaves a pleasant and persistent smell. Used properly, it does not corrode chromed taps surfaces.
