

HEAVY DUTY CLEANING

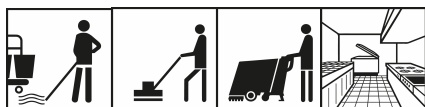

ENERGY

SOLUBILIZING DEGREASER

FEATURES AND USE

Energy effectively deeply cleans sludge, oils and grease on very dirty floors and surfaces. Particularly suitable for garages, warehouses, hoods, cafeterias, food industries etc. It also removes greasy dirt from car's internal surfaces. In very low concentration Energy can be used for floors maintenance cleaning and for carpet cleaning with injection-extraction machines.

METHOD OF USE :

Suitable for use with mop (manual), scrubber-driers, and sprayers.

Suitable for carpet/moquettes cleaning using injection-extraction machines.

In low concentration, Energy can be used with scrubber-driers for maintenance cleaning.

DILUTION :

Maintenance: 0,5%-3%

Heavy duty cleaning: 3%-10%. For stubborn dirt increase concentration.

Carpet cleaning: 5%-10%

With sprayer: increase concentration to 30%.

PACK SIZE :

Jerrycan 5Kg – 4pcs/carton

TECHNICAL DATA:

Physical state: liquid

Colour: yellow

Scent: lemon

pH as is 13.5+/-0,5

S.W.: 1.06+/-0.009 g/cm³

COMPOSITION :

See safety data sheet. Ingredients compliant with CE Reg. 648/2004

CAUTIONS :

Hazard labelling pursuant to EC Regulation 1272/2008 (CLP) and subsequent amendments and supplements.

Causes severe skin burns and eye damage.

Harmful to aquatic life with long lasting effects.

Contains: (R)-P-MENTHA-1,8-DIENE

May produce an allergic reaction.

Avoid release to the environment.

Wear protective gloves / protective clothing / eye protection / face protection.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Immediately call a POISON CENTER or doctor / physician.

Contains: SODIUM HYDROXIDE POTASSIUM HYDROXIDE
